Section 8: Privacy Provisions

The information requested in this application form and your academic record will be used for the purposes of assessing your application for this Scholarship.

Personal information contained in this application will be made available to members of the selection committee and, where deemed necessary, to the ILT Foundation.

The ILT Foundation undertakes to store your application in a secure place to preserve its confidentiality in the event that you are unsuccessful in gaining a scholarship.

It is a condition of being granted a scholarship that you will honour the conditions set out under the ILT Foundation document.

Conditions:

Successful applicants will be required to accept in writing an offer by the ILT Foundation for one of the 65 scholarships upon the following conditions:

- ✓ The recipient must continue to meet the eligibility criteria.
- ✓ Should for any reason a change in course study be undertaken the ILT Foundation is to be notified in writing.
- ✓ The recipient must agree to make available to the Foundation results of all tests and examinations which count for the end of year results.
- ✓ The recipient shall submit written reports on their progress at the end of each semester or twice yearly where appropriate.
- ✓ The recipient must complete his/her course without interruption. Failure to pass in any year or if the course is not completed in accordance with the conditions whether in whole or part, the scholarship may be forfeited and the remaining scholarship funding cancelled. If a recipient elects to defer their studies the Foundation must be notified immediately. A decision would then be made based on the circumstances relating to the deferment as to whether the scholarship would be placed on hold or forfeited. Should the recipient not resume their tertiary studies within a two year period from the time of deferment their scholarship will automatically be forfeited.
- ✓ All publicity associated with the scholarship shall be determined by the Foundation and the recipient shall not make any announcement in respect of the award without permission from the Foundation.
- ✓ The recipient may be required to present or be part of a marketing/promotional presentation to School Leavers, Career Expo's or the community.
- ✓ The recipient must respect the philosophy behind the scholarship and act in the appropriate manner to avoid the ILT Foundation name being placed in disrepute.
- ✓ The recipient must supply a current passport size photo which may be used for future scholarship publicity and marketing.
- ✓ The recipient may be required to present a tertiary institution account number to allow payment of the scholarship to be direct credited into the recipient account.
- ✓ The recipient must advise the ILT Foundation if their parent/guardian's residential address is no longer within the ILT Foundation area.

The ILT Foundation will consult with you about the nature and content of any promotional activities referred under the conditions stated in the Scholarship document.

Should you have any reason to believe that information held about you in either your application or your academic record is incorrect, you have the right of access to, and correction of, that information.

I _____ declare that the information contained in this application is true and factual and agree to the above conditions with respect to my application to the ILT Foundation for a Tertiary Education Scholarship.
